

A direct link

Global Reservation is a unique reservation central serving numerous hotels, motels, bed & breakfasts and inns in Quebec. It's a direct link with a wide number of quality accommodations that allows the customer to easily find the place he is looking for and instantly reserve his stay. By joining forces Global Reservation, you put at the disposal of the tourist or the business traveller the services of bilingual specialists, trained in tourism and hotel management, who can efficiently answer all their questions. Once the contact is made and the customer's needs are clearly identified, the call is transferred to you so that you can complete the transaction.

• A direct link between your customer and you

• An increased visibility

• An growing number of reservations

• Bilingual specialists trained in tourism

• A site that you manage yourself
